

ICCF Diamond Jubilee Officials' Tournament Announcement

ICCF would like to invite delegates and officials to take part in a celebration of the Diamond Jubilee with a series of ICCF Officials' tournaments which will be organised **free of charge**.

A GM Jubilee tournament will be organised and entrants should have a minimum rating of 2425. This and all other Officials' Jubilee tournaments will each have 13 players playing 12 games on the webserver. The rate of play will be **10 moves in 50 days**.

Players below this rating will be geographically distributed randomly and grouped by similar ratings to form further Jubilee celebration sections. It is hoped several more tournaments will offer norm opportunities. All past and present ICCF officials/ delegates are welcome to enter.

Players may enter through their National Federations or by contacting the tournament organiser directly.

Entries should contain player's name email address, ICCF ID, your official post and current rating. This should be forwarded by email to the tournament organiser Andrew Dearnley's, email: **andrewdearnley@yahoo.co.uk** and be received before **1st September 2011**. It would be appreciated if Federations send entries "as received" and not delay them until closing date.

The start date for all sections will be 1st November 2011.

So let's make this a Diamond Jubilee to remember and please send in your entry.
